Dear Friend,

At Foster Children's Alliance (FOCAL), we pride ourselves in offering support to EVERY foster child in Madison County. We have been serving local foster children and their foster parents since 1985, and we never want to stop providing this service! Unlike any other organization in North Alabama, we work directly with the Madison County Department of Human Resources (DHR) to provide the support needed for children of all ages. Area foster children are living better lives, experiencing what "normal" children experience, and even receiving support to attend college because of our efforts... because of donations from caring members of our community, like you.

We invite you to make a tax-deductible donation to FOCAL today, and we'd love for you to make plans to support our Christmas program in the months to come. We provide Christmas for each foster child in Madison County by receiving their wish list and identifying folks in the community to fulfill it. Your donations and support are life-changing to these young people, literally! Please complete our enclosed Donation Form and return it with your contribution to the address above. Alternatively, you can donate at our website, also listed above.

Thank you for any donation you can provide, which supports North Alabama Foster Children. We look forward to working together with you as we continue to better our community!

Sincerely,

Michel Pope
President, Foster Children's Alliance
